

Retrospective Sprint 7

MB - Marco Baldassarri
MD - Michele Donati
SB - Stefano Bernagozzi
NL - Nicola Lasagni

PROS

Pro Description	Members
More productivity due to work remotely	MB, SB, MD
More productivity due to giving set of tasks to members grouped by "sub-system"	SB

CONS

Con Description	Members
No Releases other than 0.1.0	NL, SB, MD
More than an half of points burnt	NL, SB
Technology changes have increased tech dept	SB
Wrong estimate of task points	NL, MB
The initial requirements considerations did not allow to estimate accurately the necessary working time to complete all the features	MB

IMPROVEMENTS FOR NEXT SPRINTS

- Improve team communication especially when one member notices that he has underestimate the work needed to complete a task
